

Organelle Facebook Project

Due Monday 11/11

Worth 25 Points

The purpose of the project is to create a Facebook page for an organelle in either a plant or animal cell. You will have 2 days to complete the research and construction of the page. Upon completion of the page, please be ready to present to class Monday 11/11.

Create a Facebook page for an organelle in either a plant or animal cell. You must be specific!
Use the following guidelines:

- Name of Organelle at the top of the page
- 1 Profile Picture of your organelle

Information Corner/Basic Information (must be linked to organelle in some way)

- Network
- Birthday
- Political Affiliation
- Religion
- Hometown

Friends Corner:

6 pictures of people/organelles that are/would be friends with your figure

The Wall

Write 6 significant facts on The Wall. These facts need to highlight important events that your organelle is a part of. The comment can be from your organelle or from someone associated with your organelle.

Personal Information: (At least 3 listed for each that must be linked to organelle in some way)

- Activities
- Interests
- Favorite Music
- Favorite Movies
- Favorite TV Shows
- Favorite Books

Contact Information: (must be linked to organelle in some way)

- Address:
- Phone Number:
- Email address

Photos: (7 pictures) Albums: (2 pictures)
